STROUDSBURG, Pennsylvania 18360

"As a board member of the Stroudsburg school district in PA, I know that seamlessly infusing digital learning throughout the curriculum is a prerequisite for students to graduate from high school with the skills and knowledge they need to succeed in today's global economy. Access to high-speed broadband is the key to allowing modern teaching and learning to occur in all schools across the country. It also facilitates raising productivity, thus helping to contain the ever rising cost of education. Please facilitate the continuation of this essential program."
